INTEGRATES WITH

Apple Business Connect

WHAT IS APPLE BUSINESS CONNECT?

Apple Business Connect is a feature designed to help businesses manage their presence across Apple's services, such as Maps, Siri, and Search. It allows companies to create and update their business listings, respond to customer inquiries, and engage with users by sharing information about their products, services, and promotions. With Apple Business Connect, businesses can enhance their visibility on Apple's platforms, making it easier for customers to find and connect with them. This tool aims to streamline interactions with customers and improve the overall user experience by providing accurate and up-to-date information.

WHAT THIS MEANS FOR YOU:

AMPLIFY YOUR REACH WITH APPLE BUSINESS CONNECT:

With our new integration, you can broaden your exposure to the vast community of Apple users that are searching for a business.

ENSURE ACCURACY:

Keep your business information accurate and up to date including your hours, website, and more by updating your details through the Location Bank platform. This helps ensure your customers always have the right information when trying to reach your business.

DRIVE GROWTH WITH DATA-DRIVEN INSIGHTS:

Our ROI and Reputation dashboard gives you unparalleled insights into your business's performance on Apple Maps, allowing you to understand how customers found your location and how they interacted with it.

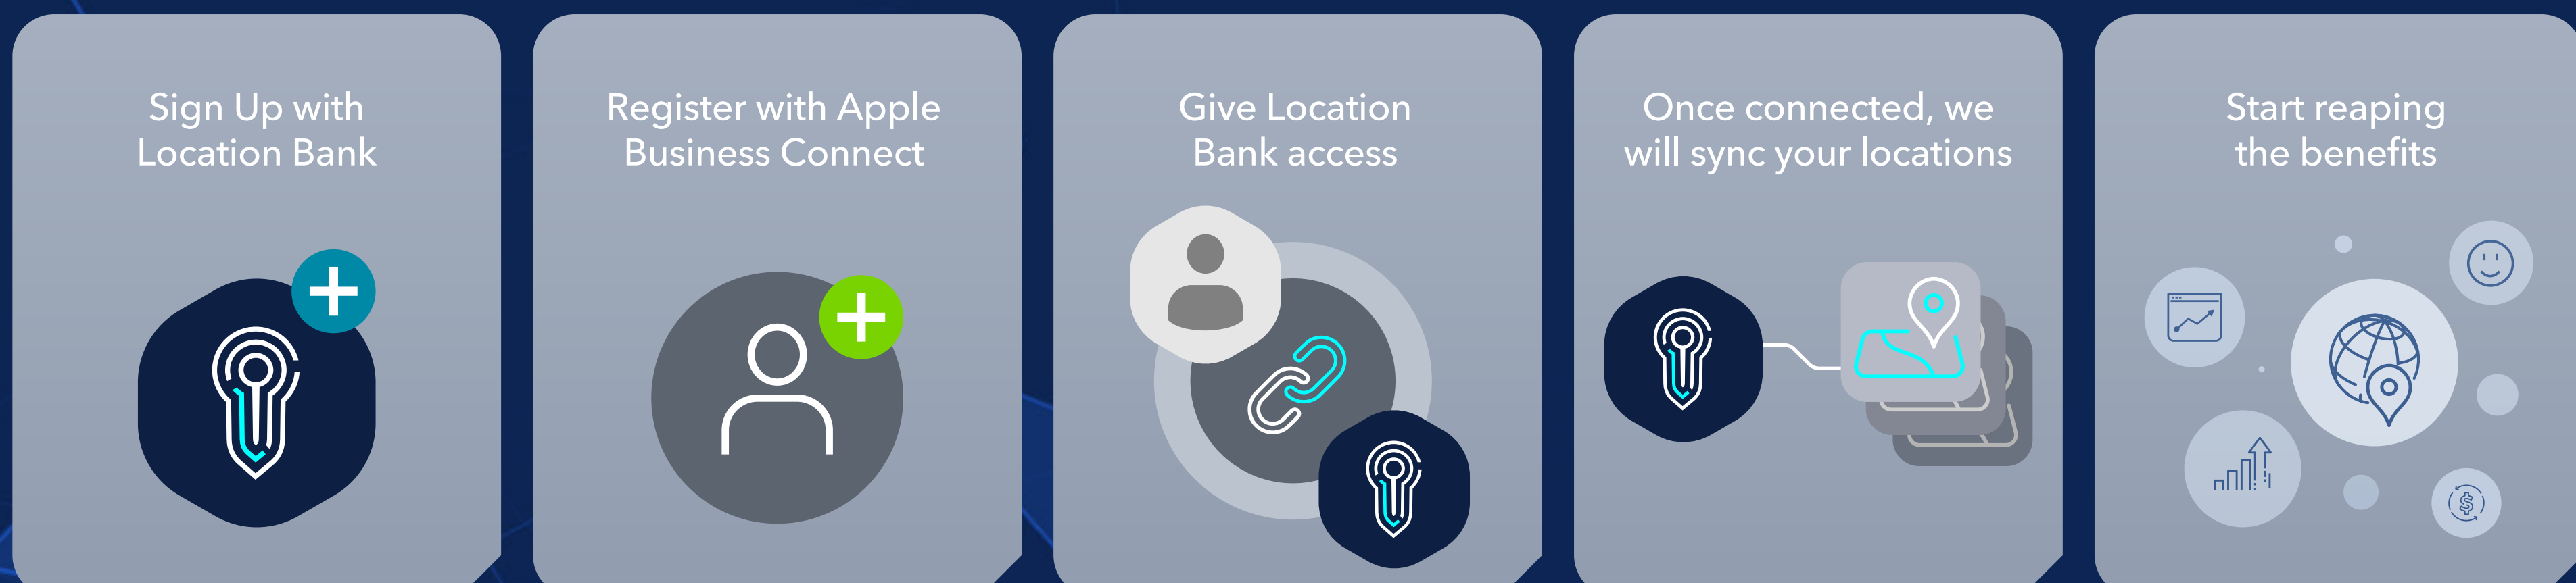

UNIFIED MANAGEMENT FOR EFFICIENCY :

With Location Bank, you can manage all your Apple Business Connect tasks from one central platform— such as updating business details posting new photos, adding a logo, providing hours of operation, and sharing Good to Know information like parking availability and if your business offers Wi-Fi.
